

ENTREPRENEURSHIP DEVELOPMENT CELL, HISLOP COLLEGE, NAGPUR

Title: Students of Hislop College attend Global Entrepreneurship Summit 2017

Date: 3rd February 2017 to 5th February 2017

Venue: IIT Kharagpur

Report:

The G.E.S (Global entrepreneurship Summit) 2017 was held at IIT Kharagpur between 3rd-5th February 2017. It was organised by the E-Cell, IIT Kharagpur. Hislop College had sent a contingent of 20 students accompanied by two teachers. The students belonged to Science, Arts and Commerce faculties. Hislop was the only college which sent students of non professional courses to the Summit. The belief behind sending the students was that exposure to entrepreneurship should not be restricted to Engineers and MBAs .Over the span of 3 days there were various workshops and lectures conducted by Entrepreneurs from all over the World. Eminent personalities like Jayesh Parekh (Founder, Sony Entertainment) and Gautama Sinha (CEO, Times Internet Group) were among those who gave inspiring talks and lectures. At the end of the program the students of Hislop were truly Inspired and motivated. The entire contingent was excited to get back and apply all the knowledge they acquired from GES to the ED cell in college and help it reach greater heights. The students who visited the summit included, Rushant Dhwanwaty, Ayeman Khan, Adina Collins, Madhur Gajbhiye, Ayesha Bhowate, Bhairav Mataghare, Lokesh Dongre, Anjali Jain, Vandana Gautam, Rounakk Rawal, Pushpendra Yadav, Deepak Khushalani, Rashmi Yadav, Shubhangi Jaiswal, Rajeshwari Raulwar, Ajay Gajbhiye, Aryan Naidu and Khyati Golcha. The team was lead by Dr. Mayur Khedkar and Ms. Bageshri Tayade teachers of Hislop College.

Participants: Students – 20, Teachers – 02.

City college sends students of non-professional courses for Global Entrepreneurship Summit

■ Staff Reporter

WE ALWAYS read that the students of technical courses attending various global summit, visiting industries etc. But city college with an exception has sent their students of non-professional courses to attend Global Entrepreneurship Summit that was held at IIT Kharagpur.

It was organised by the E-Cell, IIT Kharagpur. Students from all over the country took part in the summit. Hislop College had sent a contingent of 20 students accompanied by two teachers. The students belonged to Science, Arts and Commerce faculties. Hislop was the only college which sent students of non professional courses to the Summit. The belief behind sending the students was that exposure to entrepreneurship should not be restricted to Engineers and MBAs. Over the span of 3 days there were various workshops and lectures conducted by Entrepreneurs

Students at the college premises.

from all over the World. At the end of the program the students of Hislop were truly inspired and motivated. The entire contingent was excited to get back and apply all the knowledge they acquired from GES to the ED cell in college and help it reach greater heights. The students who visited the summit included, Rushant Dhwanwaty, Ayeman Khan, Adina Collins, Madhur Gajbhiye,

Ayesha Bhowate, Bhairav Mataghare, Lokesh Dongre, Anjali Jain, Vandana Gautam, Rounakk Rawal, Pushpendra Yadav, Deepak Khushalani, Rashmi Yadav, Shubhangi Jaiswal, Rajeshwari Raulwar, Ajay Gajbhiye, Aryan Naidu and Khyati Golcha. The team was lead by Dr Mayur Khedkar and Bageshri Tayade teachers of Hislop College.
