

HISLOP COLLEGE ALUMNI ASSOCIATION

SUMMER INTERNSHIP PROGRAMME

Hislop College Alumni Association (HISCAAN) endeavours to offer their expertise and support to all our Hislop college students so that they get the best training and opportunity when they step out into their career paths.

The current initiative is to offer a summer internship at a local company/office/organisation, which will give the student an exposure to actual workplace scenario and a chance to gain some skills. College & HISCAAN team will evaluate the data to find a suitable placement for the registered TSA candidate during the period June-July 2019.

Hislop College Alumni Association (HISCAAN) Summer Internship 2019 for the Temporary Student Alumni final year students
