Venue: Seminar Room, CB Block

Title: “Dr. Ira N. Nimdeokar Memorial lecture 2018-2019”

Abstract: Post Graduate Department of Chemistry, Hislop College was established in the year 1997. Dr. Ira Nimdeokar was the first co-ordinator of the PG Department of Chemistry. Dr. Ira Nimdeokar P.G. and Research Centre for Chemistry started in the year 2007 and is the first centre to be recognised by RTM Nagpur University as place of “Higher learning and Research”. This centre was set up with a financial assistance by Dr. N. M. Nimdeokar in memory of his wife late Mrs. Ira N. Nimdeokar. This Centre offers research programmes leading to Doctoral (Ph.D.) Degree in Chemistry. Till date, Sixteen students have been awarded Ph.D. degree by RTM Nagpur University.

First Edition of Dr. Ira N. Nimdeokar Memorial lecture is organized to pay tribute to her contribution to the holistic development of the department.

Every year, Dr. N. M. Nimdeokar, in memory of his wife late Mrs. Ira N. Nimdeokar, gives cash prizes to the academic toppers of University Examination from M.Sc. Chemistry Semester IV and Semester II, respectively.
