THE much awaited Annual Flower Fest of Hislop was inaugurated at the hands of Corporator Nishant Gandhi in presence of Dr Vijay Naidu, an alumnus; Principal Dr Prashant Shelke Vice-principals Dr Ajay Yoel and Dr Pratik Michael and Head of Department of Botany Dr Mousumi Bhowal.

The event is the 17th edition of a floral extravaganza at Hislop which marks an important event of the winter calendar of the city and this year is even more special as this carnival of colors comes as a ray of hope in the challenging times we live in. Speaking with the organising team, Gandhi commended the hard work that has been put in. He called the 'Flower Show' as

Visitors admiring the beauty of flowers of different varieties at the annual flower show.

signature event of the city and appreciated the involvement of students in the event which in turn brings them closer to nature.

Gandhi strolled through the

magnificent display of flowers while speaking about the concept of this event with Dr Shelke.

The sixth edition of Papillon, which is a subset of the flower show and involves school stu-

dents for painting competition, was organised on-line with the theme of flowers around you. An overwhelming number of entries were received for painting, photography and recitation

competitions with some excellent perspectives.

While promenading through the college quadrangle, Dr Naidu added that for an academic institution to invest their time and infrastructure in a flower show of this magnitude is remarkable and it represents the efforts of the college in fulfilling the social responsibility towards environment. It is these features, he said, that make Hislop a unique place with a culture of its own.

## Flower Fest to remain open on Sunday

THE flower fest at Hislop College will remain open for public on Sunday, December 13 between 9.30 a.m. and 5.30 p.m.

## Traditional Hislop flower show to begin on Dec 12

■ Staff Reporter

FLOWERS are nature's soothing and refreshing gift to the mankind...

"Flowers do not worry about how they're going to bloom. They just open up and turn toward the light and that makes them beautiful."

December is the month for the Annual Flower Show at Hislop College and it will mark its glories years of bringing joy to the Orange City.

Since its inception in 2003, the show has grown in stature and reached greater heights and has faced all challenges mostly from nature with great resilience. This year being unprecedented and

challenging!

Chrysanthemum (Shevanti) is the signature plant for us, but to showcase flower diversity we also concentrate on seasonal plants. These plants add a new dimension and colour to our floriculture unit and include plants like Marigold, Petunia, Dianthus, Phlox etc.

"PAPILION" - the Sit and Draw Competition for school students as a part of Flower Show, goes to the cloud! This year as the event has been endeavoured on-line with students required to be part of the show without being physically present. The mandate of this effort is to instil environmental awareness and appreciation for the beauty of nature in

the young and blossoming minds despite of the Covid times. Young artists from various city schools will participate and be a part of this extravaganza.

Today, the number of plants for display and sale is around 10,000, thanks to judicious use of space, efficient time management, a strict adherence to deadlines, and teamwork. Floriculture activity requires lot of supporting functions most important being continuous supply of compost which is met through the in-house vermicomposting unit. Further introduction of Trichoderma cultures to the vermicompost, enhances and enriches this organic compost. This programme at Hislop has

also introduced a training module. As an extension of the curriculum, it has helped in enriching the conventional subject while simultaneously paving way for future research opportunities for students. In process, faculty members have also honed their skills, and also upgraded their knowledge domain, to provide students with necessary skill sets.

A flower's appeal is in its contradictions - so delicate in form yet strong in fragrance, so small in size yet big in beauty, so short in life yet long on effect with this as our guiding force we want to keep the Hislop tradition intact and bring you the joy of vibrant colour to your doorstep with lot of optimism.

The annual event is an outcome of hard work put in by the Botany Department faculty members, Dr Mousumi Bhowal, Parama Majumdar, Dr Mayank Varun, Dr Shivani Dongarwar, Nikita Phule and the long hours devoted by the garden staff. The Show has reached its 17th year with the sustained support of Management of Hislop Education Society, along with able guidance of Dr Prashant Shelke, Officiating Principal and unimpeded encouragement of Vice-principals, Dr Pratik Michael and Dr Ajay Yoel. The annual flower show will be held in Hislop premises on Saturday December 12 and Sunday December 13, 2020 between 9 am and 5 pm.

## 16th traditional “Flower Show” begins at Hislop College

written by TLN Team | December 12, 2020

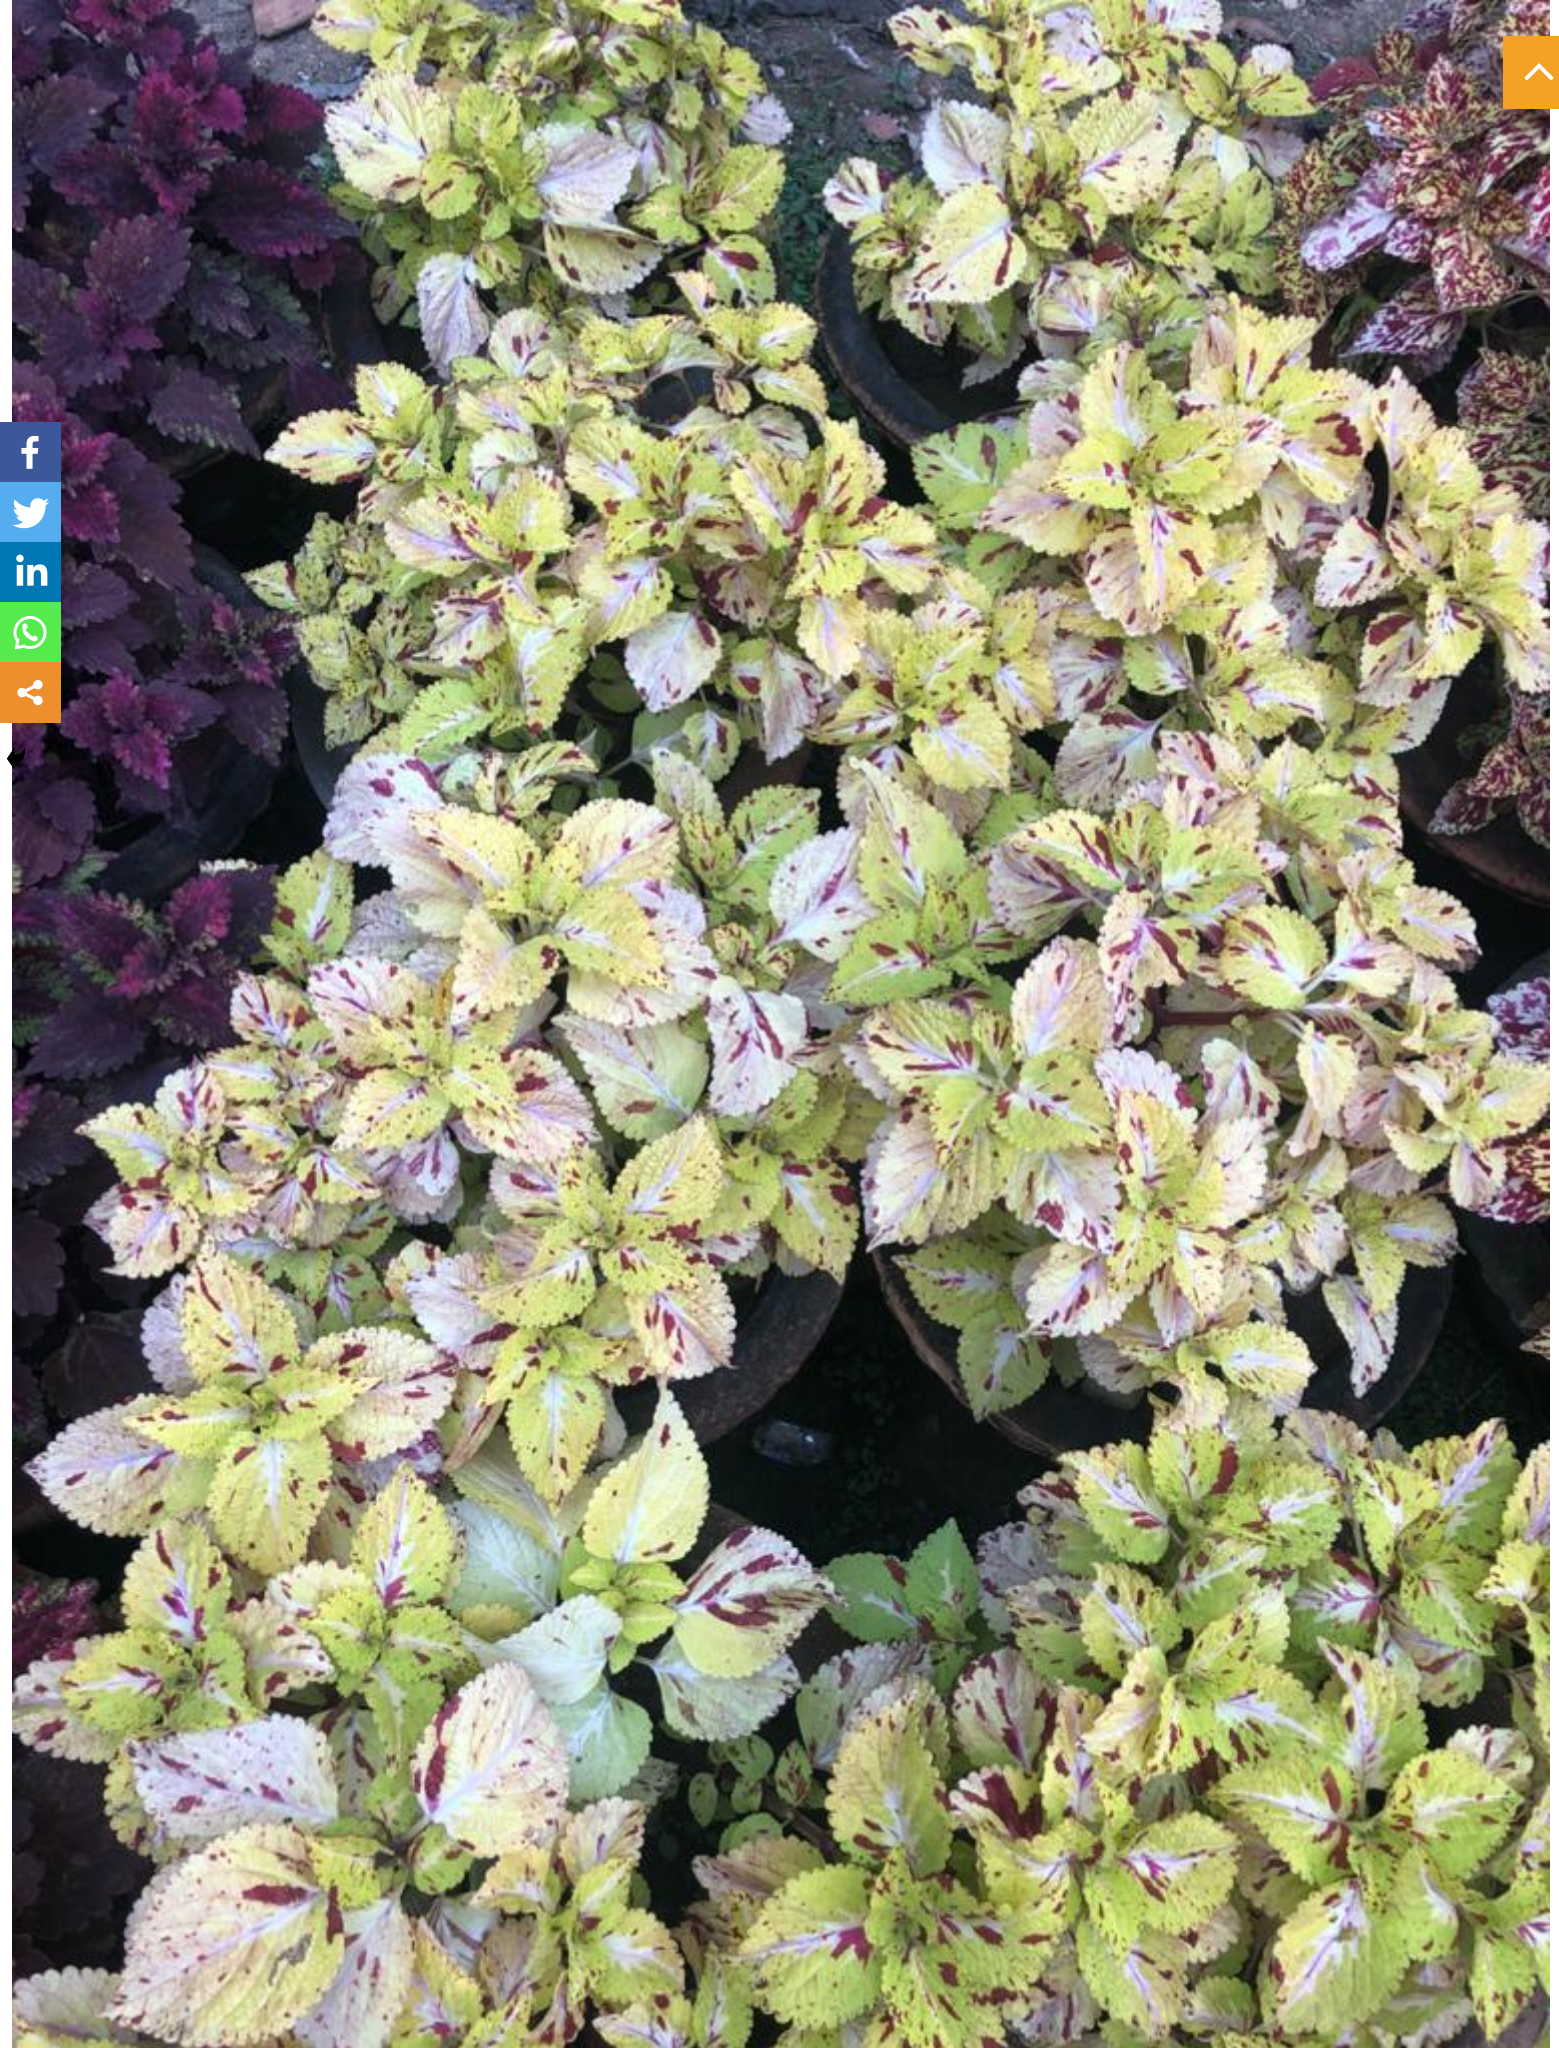

“Flowers don’t worry about how they are going to bloom. They are just open up and turn toward the light and that makes them beautiful”.

The Botany department of Hislop College hosts the 16th traditional annual flower show at the college premises to add some blooming joy to the prosaic mood of the orange city. The flower show will take place only for two days that is on 12th and 13th December from 9 a.m. to 5 p.m.

The occasion is inaugurated by NMC Corporator Nishant Gandhi.

Since its inception in 2003, the show has grown in stature and reached greater heights facing various challenges from nature.

Chrysanthamun (Sewanti) is the signature plant but to showcase flower diversity other seasonal plants also concentrated in the flower show.

## नागपूरकरांसाठी खास पर्वणी: रंगीबेरंगी शेवंतीच्या 100 प्रजातींचे प्रदर्शन

Published on: 22 hours ago

नागपूरातील हिस्लॉप महाविद्यालय येथे फुलांचे प्रदर्शन आयोजित करण्यात आले. यंदा या प्रदर्शनाचं 17 वं वर्ष आहे. महाविद्यालयाच्या बॉटनिकल विभागाच्या वतीने आयोजित विविध रंगांची फुलं या प्रदर्शनात ठेवण्यात आलं असून स्थानिक लोकांनी येथे विविध फुलांचे रोपटे, व इतर झाडांच्या खरेदी साठी गर्दी केली आहे

नागपूर- कोरोनाच्या काळात सर्वत्र उदासीनता व नकारात्मक वातावरण पहायला मिळत आहे. अशावेळी सर्वसामान्य नागरिक विविध बाबींमधून आनंद शोधण्याचा प्रयत्न करतांना दिसून येत आहे. मात्र नागपूरकरांच्या नकारात्मकेवर परिणामकारक ठरलाय तो 'प्लॉवर फेस्ट'. शहरातील हिस्लॉप महाविद्यालयात हे फुलांचे प्रदर्शन भरविण्यात आले आहे. यात शेवंती फुलांच्या तब्बल 100 पेक्षा अधिक प्रजातींची रोपे उपलब्ध आहेत. शिवाय या प्रदर्शनात नागरिक मोठ्या प्रमाणात फुलांच्या रोपांची खरेदी देखील करत आहेत.

नागपूरकरांसाठी खास पर्वणी: रंगीबेरंगी शेवंतीच्या 100 प्रजातींचे प्रदर्शन

### 17 वर्षांपासून प्रदर्शनाचे आयोजन

शहरातील हिस्लॉप महाविद्यालय वनस्पतीशास्त्र विभागाच्या वतीने गेली 17 वर्षांपासून या प्रदर्शनीचे आयोजन करण्यात येत आहे. दरवर्षी या प्रदर्शनाला मोठ्या प्रमाणात नागरिक भेटी देतात. परंतु यंदा मात्र कोरोना संकटामुळे सर्व खबरदारी घेऊन हे प्रदर्शन आयोजित करण्यात आले आहे. गेल्या अनेक महिन्यांपासून घरात बंदिस्त असलेले नागपूरकर या प्रदर्शनाला सहपरिवार भेट देत आहेत. शिवाय फुलांसोबत फोटो काढत फुलांचे सौंदर्य आपल्या मोबाईलमध्ये टिपण्याचा प्रयत्नही करताना दिसत आहेत.

### प्रदर्शनासोबत फुलांची विक्री-

प्रदर्शनाचा मुख्य उद्देश म्हणजे शेवंती प्रजातीसह इतरही फुलांचे महत्व कायम लोकांना कळावे. तसेच फुलांचे संवर्धन पुढेही होत राहावे. या प्रदर्शनात फुलांच्या रोपट्यांची विक्री सुद्धा केली जाते. प्रत्येक प्रजातीची किंमत 40 ते 60 रूपये इतक्या ठराविक स्वरूपात ठेवण्यात आली आहे. त्यामुळे खरेदी करण्यासाठीही नागरिक मोठी गर्दी करत असल्याचे पहायला मिळत आहे. या प्रदर्शनात शेवंतीसह विविध जातींची झेंडू फुले देखील पहायला मिळत आहे.

हिस्लॉप कॉलेजच्या 'फ्लॉवर फेस्ट'ने पुष्पप्रेमींचे मन फूलले

नागपूर, ता. १२ डिसेंबर: प्रत्येक वर्षीच्या डिसेंबर महिन्याच्या पहिल्या शनिवारी व रविवारी सिव्हिल लाईन्स येथील हिस्लॉप महाविद्यालयातील वनस्पतीशास्त्र विभागातर्फे सुप्रसिद्ध पुष्प प्रदर्शनीचे आयोजन केल्या जातं. पुष्प प्रदर्शनीचे हे हे १७ वे वर्ष आहे. सुरवातीला या पुष्प प्रदर्शनाची सुरवात अतिशय छोट्या प्रमाणात झाली मात्र

बघता बघता या पुष्प प्रदर्शनीचा भरपूर विस्तार झाला. आज या पुष्प प्रदर्शनील हिस्लॉप महाविद्यालयातील वनस्पतीशास्त्र विभागातर्फे एकट्या शेवंतीचेच १०० प्रकार प्रदर्शित होत असतात. शेवंती ही या पुष्प प्रदर्शनीचे एक आगळे-वेगळे वैशिष्ट्य असे तरी इतर ऋतूनुसार देखील सुंदर पुष्पांचे रोपटे हे देखील या पुष्प प्रदर्शनीचे वैशिष्ट्य ठरतं.

मॅरीगोल्ड,पेटोनिया,डायनथस आणि फलाक्स इ. रोपटे हे या पुष्प प्रदर्शनिचे खास वैशिष्ट आहे.या प्रदर्शनीचा उद्देश्य फक्त प्रदर्शन नसून शहरातील पुष्प प्रेमींना या निरनिराळ्या सुंदर रोपट्यांची विक्री करून याद्वारे अर्थाजनाला देखील चालना दिली जाते.

यासोबतच याच पुष्प प्रदर्शनीचा एक प्रसिद्ध भाग असणारी 'पॅपीलियन' ही चित्रकला स्पर्धा होय,या वर्षी कोविड-१९ मुळे ही स्पर्धा ऑन लाईन घेण्यात आली.ही स्पर्धा ठेवण्यामागील उद्देश्य म्हणजे लहान विद्यार्थ्यांमध्ये

पर्यावरणासंबंधीची जागरूकता तर आहेच मात त्यासोबतच त्यांना निर्सर्गाच्या सौंदर्याची ओळख व्हावी म्हणून ही चित्रकला स्पर्धा दरवर्षी अायोजित केली जाते.म्हणूनच ती कोविड-१९ चा प्रकोप असला तरी ती ऑन लाईन घेण्यात आली,यात खंड पडू दिला नाही.या स्पर्धेत नागपूरातील विविध शाळेतील विद्यार्थी वर्ग मोठ्या प्रमाणात सहभाग नोंदवतात,हे विशेष.या वर्षी देखील या विद्यार्थ्यांनी काढलेली पर्यावरणासंबंधीची अप्रतिम चित्रे प्रदर्शनाचे महत्व वाढवत आहेत.

या पुष्प प्रदर्शनीत वनस्पतीशास्त्र विभागातर्फे साधारण: दहा हजारच्या जवळपास पुष्प, प्रदर्शन आणि विक्रीसाठी उपलब्ध आहेत.हे सगळं शक्य झालं, ते म्हणजे महाविद्यालयाच्या प्रशस्त जागेचा प्रभावी उपयोग,ऋतूप्रमाणे वेळेचे नियोजन आणि टिम वर्क.यांना श्रेय जातं.

पुष्प प्रदर्शनासाठी नैसर्गिक गांडूल खत,हे देखील महाविद्यालयाच्याच परिसरात बनवलं जातं.बुरशीसारखे तंत्रज्ञान वापरून ऑर्गेनिक खतांची

निर्मिती केली जाते.

हिस्लॉप महाविद्यालयातील दर वर्षी भरणारे हे पुष्प प्रदर्शन हे या महाविद्यालयातील वनस्पतीशास्त्राच्या विद्यार्थ्यांच्या अभ्यासक्रमाचा देखील एक भाग आहे,हे विशेष!प्राध्यापक वर्ग हे देखील आपले संपूर्ण कौशल्य या निरनिराळ्या पुष्पांविषयी सविस्तर माहिती जाणून घेऊन विद्यार्थ्यांपर्यंत आत्मसात करीत असतात.

या प्रदर्शनीतील पुष्प हे खूप नाजूक असले तरी खूप मनमोहक सुगंध दरवळणारी आहेत.आकाराने लहान असली तरी सौंदर्यामध्ये अप्रतिम आहे.या पुष्पांचे जीवनमान कमी असले तरी परंपरां खूप मोठी आहे.

या संपूर्ण यशाचे श्रेय वनस्पतीशास्त्र विभागाच्या प्रमुख डॉ.मौसमी भोवाल, प्रा.परमा मुजुमदार, डॉ.मयंक वरुण,डॉ.शिवाणी डोंगरवार,तसेच कुमारी निकीता फूले यांना जातं.

या वर्षी या प्रदर्शनची उद्घाटन आज शनिवार दि. १२ डिसेंबर रोजी झाले असून या वेळी डिसेंबर महिन्यातील पहीला आठवडा प्रदर्शन भरवण्यासाठी ऋतूमानानुसार योग्य नसल्याने दुस-या आठवड्यात भरवण्यात आले असल्याचे

**खास 'सत्ताधीश'कडे**

डॉ.मौसमी भोवाल यांनी सांगितले.या प्रदर्शनला मिळणारा पुष्प प्रेमींचा प्रतिसाद हा दर वर्षीच भव्य असा असतो.यावेळी देखील उद्घाटनापूर्वीच अनेक पुष्प प्रेमींनी सामाजिक अंतर राखता यावे म्हणून आधीच पुष्पांची खरेदी केल्याचे त्या सांगतात.पुष्प प्रदर्शनीत सर्वात जास्त मागणी ही शेवंतीच्या निरनिराळ्या प्रकारालाच असते.मात्र इतर ही शो चे रोपटे पुष्पप्रेमी खरेदी करून घेऊन जातात.

या वेळी क्रिसमसचा सण लक्षात ठेऊन प्रदर्शनीत लहानसे क्रिसमसचे झाडही येणा-या पुष्प प्रेमींसाठी सजविण्यात आले आहे.जे प्रेत्येकाच्या आकर्षणाचा केंद्र ठरत आहे.आज प्रदर्शनाच्या पहील्याच दिवशी महाविद्यालयीन तरुणाईच्या गर्दीने हा संपूर्ण परिसर दर वर्षीसारखाच फूलला होता.

निरनिराळ्या रंगबिरंगी,सुंदर रोपट्यांसोबत सेल्फी काढण्याची स्पर्धा जणू तरुणाईमध्ये रंगली होती,यात मध्यमवयीन जोडपे देखील मागे नव्हती.एकंदरीत दोन दिवस भरणारे हे पुष्प प्रदर्शन म्हणजे नागपूरातील पुष्प प्रेमींच्या जीवनात 'फूलले रे क्षण माझे फूलले रे....'या गाण्याचीच प्रचिती देणारे होते.उद्या रविवार दि. १३ डिसेंबर रोजी सायंकाळी ५.३० वा.पर्यंत पुष्प प्रेमींना या प्रदर्शनीचा आनंद घेता येईल.

### **Report:**

Sir Sitaram & Lady Shantabai Patkar College of Arts and Science and V.P. Varde College of Commerce and Economics, Mumbai organized an Intercollegiate National level Start-up Idea Competition titled 'Entrepreneur in you'. This was an online competition where the date of registration was between 6th July, 2020 - 11th July, 2020 and the last date of submission was by 13th July, 2020. Students had to submit their ideas on a designated email address. The competition was about sending the thought or an idea of a Start-up which could be carried out after Lockdown. Idea had to be relevant to the current situation as and had to focus on post lockdown situation. This competition was aimed at an attempt to bring out the entrepreneur in the students. Participants had to mention their college name, topic, name of the team and team member's name.

Entries were assessed on interest created, feasibility/ease of incorporation, cost-benefit analysis, employment generation, sustainability, USP, usefulness of the content and overall impression

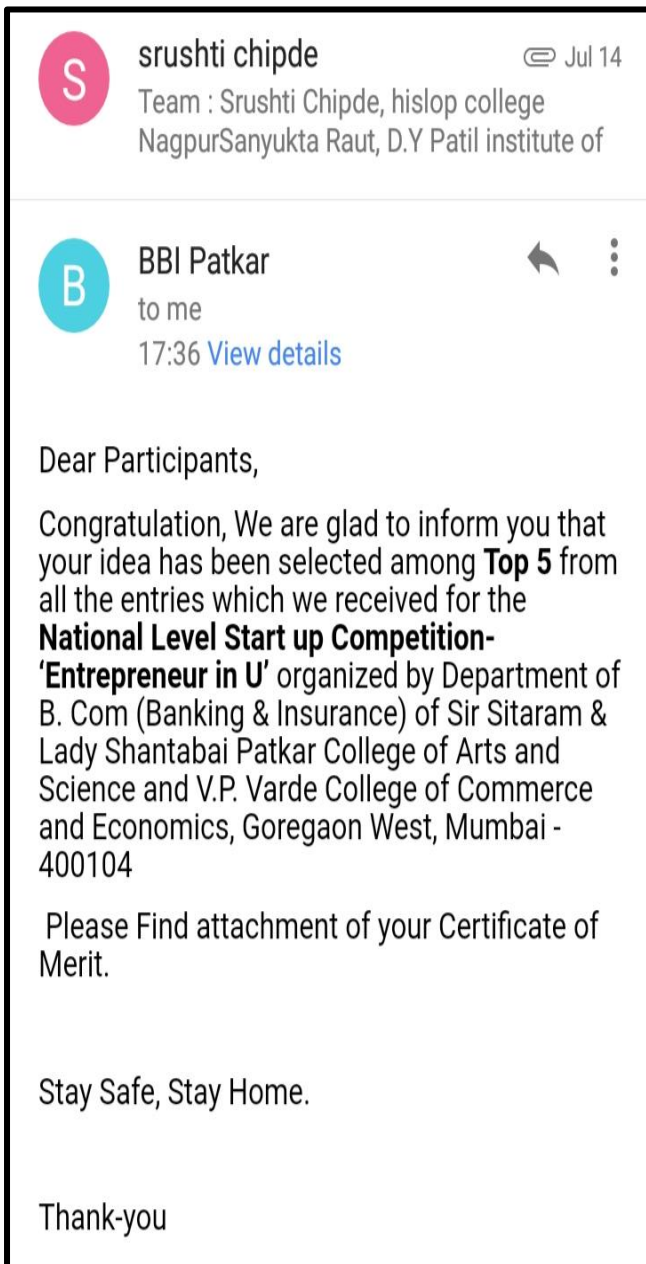

Two students from Hislop College submitted their ideas, which included the following

Mr. Chaitanya Gadekar in his idea entitled 'Tissue Culture of Medicinally Important Plants and Transport Facility for Laboratories and Pharma Industries' presented a start-up idea aimed at making a commercial facility which would deal with labs and industries working in development of plant based drugs and would use modern techniques like tissue culture, hydroponics and vertical indoor farming to grow registered and ordered plants on large scale

Ms. Srushti Chipde presented her Idea 'Find My Scope: We Are the Opportunity That Knocks Your Door' which was intended at providing a convenient platform, in the form of an app which would, not only bring together recruiters and job aspiring candidates on the same page, but also ensures that the candidate gets the best options available based on their qualifications, experience and achievements.

Their ideas were selected among the top five (5) from all entries that were received by the organizers and were both issued Certificate of merit.

**Participants:** Students -02, Teachers – 02

**Title:** Wantrepreneurs-2020 Way to Entrepreneurship

**Date:**13-15 September

**Venue:**Dristhi 2020, Government College of Engineering, Nagpur–**Virtual Platform**

### **Report:**

The competition was based on presenting a business idea on a prescribed format.

The project was to be presented on the following heads:

- ✚ Problem Statement/Need of the Market
- ✚ Solution
- ✚ Target Customer
- ✚ Total Addressable Market size (Actual Calculation)
- ✚ How to reach Potential Customers
- ✚ Who are your competitors?
- ✚ How are you superior than the current Market choices
- ✚ Sources of revenue
- ✚ Key performance Indicators
- ✚ Cost Structure
- ✚ Uniqueness
- ✚ Any other point

The business proposition put forth was:to provide platform where they would reach out with their best help to the people in dire need of professional help for their mental health issues anda safe and healthy space for your stressed days and weeks and months. This was in view of the prevailing COVID 19 situation.

The project was evaluated and SWOT analysis provided included the following:

**STRENGTHS:** -Excellent teamwork and a unique idea for a problem which isn't much talked about.

WEAKNESSES: - Raising funds to be 24x7 available is difficult.

OPPORTUNITIES: - This is an untapped market in the rural areas.

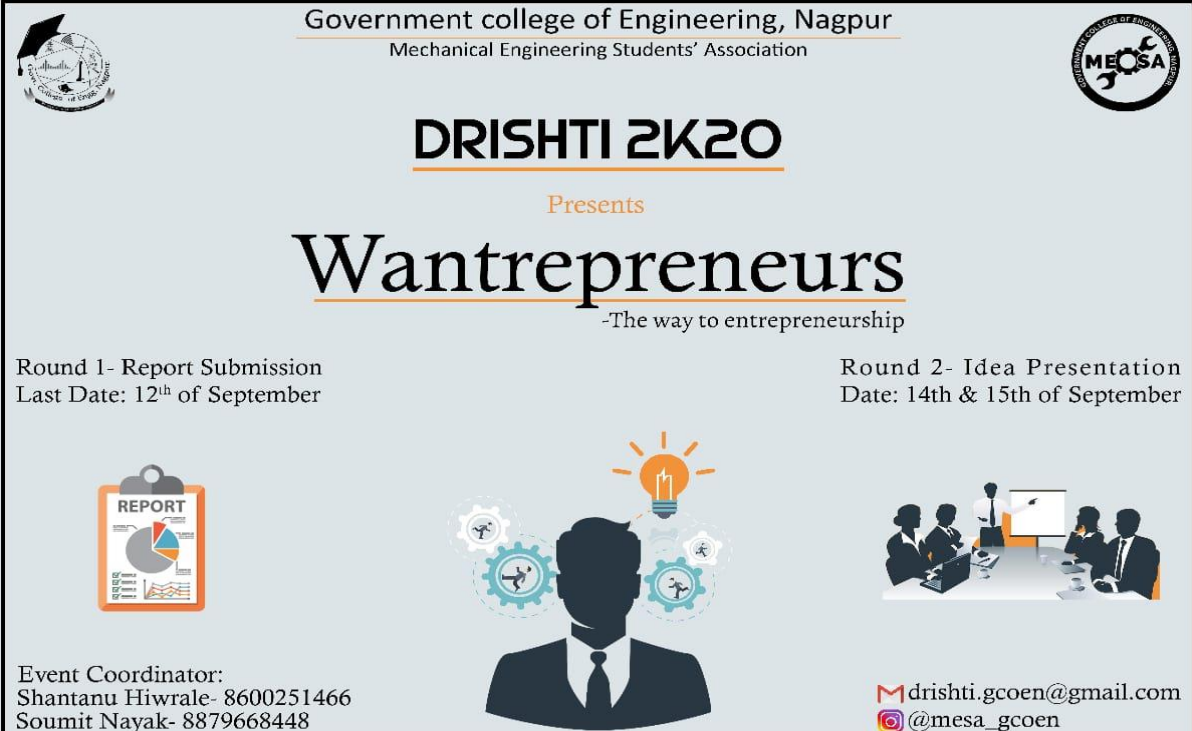

THREATS: - Approaching rural areas can be difficult, so grow your market carefully in rural regions.

Feedback

Excellent PPT, excellent presentation and teamwork. Try to gain as many employees as quickly as possible as India has a lack of therapists per capita than most western countries

Ms. Srushti Chipde presented her Idea and secured 1<sup>st</sup> position in the competition.

**Participants:** Students –01, Teachers – 02
