## ACTION TAKEN REPORT ON FEEDBACK ON CURRICULUM

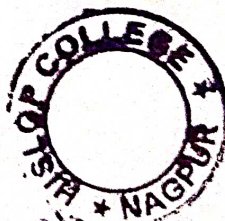

### SESSION 2020-21

As Hislop College is an affiliated college, it doesn't have a direct role in the review and revision of the existing programme structures and academic syllabi. The college however plays an indirect role as many of its staff members are members of the Board of Studies. The Board of Studies is a statutory body that handles academic affairs such as the introduction of a new Academic Programme, revision of syllabus, review of academic rules and evaluation methods, etc. Each academic department of the University has a Board of Studies.

The analysis of the feedback obtained from the Teachers, Students, and Alumni was communicated to the Members of the University Board of Studies of various departments of the college so that it can be effectively used as a guiding resource for the designing/ revision of the syllabi in the University Board of Studies Meetings.

### Action Taken Report on Feedback Reports from Stakeholders (2020-21)

Presented by the Principal before the Management Committee

	Brief analysis of the feedback	Action Taken
<b>Feedback from Students on Teaching-Learning Evaluation</b>	Students have shown an overall satisfaction with the teaching-learning process in the College with the average pooled Student Satisfaction Index on "Teaching Learning Evaluation" of 3.4 on a 4 point scale.	The departments were conveyed their individual scores and were encouraged to continue adopting more student friendly teaching techniques based on ICT.
<b>Feedback from Students on Infrastructure</b>	As far as main infrastructure is concerned, the students are satisfied with the classrooms, laboratories, the college auditorium and the parking facility with all the aforementioned parameters being given more than 3 points on a 4 point scale.	The upgradation work of the classrooms and laboratories would continue.  Plans are in place to convert more classrooms into Smart Classrooms.
	Drinking Water Facility got an average score of 2.98 on a 4 point scale.	College Maintenance Committee has taken cognizance of this issue and has initiated regular servicing of the water purifiers on every floor.
	Cleanliness of washrooms/ toilets has got a relatively low score of 2.48 on a 4-point scale.	Two cleaners have been deployed on each floor to work on shift basis to ensure that cleanliness and sanitation is being maintained in all the toilets.  More toilets have been constructed. Facilities such as running water, soap, and waste bins are being provided in each toilet.  The task of raising awareness about toilet hygiene is a regular practice at Hislop College. However, looking at the low score, this would again be taken up by the SQAC for the new incumbents during the Student

		Induction Program in the coming academic year.
	Students have shown satisfaction with the facilities in the Central Library with a score of 3.33 on a 4 point scale	E resources like N-List and shodhganga etc. are being provided to the students.  To enrich the learning resources further, the college website hosts an array of customized e-learning resources.
<b>Feedback from the Alumni of the college</b>	<p>The alumni have approved of the efforts being taken by the teaching staff in supporting students to stay abreast of the latest developments in their respective fields.</p> <p>The alumni have also validated the efforts of the college staff in supporting the overall development of the students, even in online mode.</p> <p>The HOPE Sponsorship has acted as an incentive for students to aim for better grades.</p> <p>The Summer and Winter Internships provided by the alumni have made the students industry-ready.</p>	<p>The Alumni Association would widen the membership and raise more funds for the students.</p> <p>The Alumni Association would leverage the reach of the alumni of the college to create more employment opportunities for students.</p>
<b>Feedback from the Employers</b>	The employers have evaluated positively the core competence, soft skills and professional skills displayed by the students who have graduated from the college and are employed with them.	<p>The college would continue fostering the employability skills of the students through Add On Certificate Courses and Skill based Courses.</p> <p>Efforts would be made to have more students enrolled in these courses.</p>
