Subject: Discrepancy in Botany Practical marks in the published marksheets of B.Sc.- Semester V Winter-2020

Respected Sir,

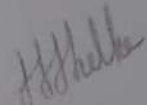

This is to bring to your kind attention that there appears to be a major discrepancy in the declared result pertaining to BOTANY PRACTICAL in the students of B.Sc. Semester V (Winter 2020). It has been noticed that the marks allotted for the practical (PU) valued out of a maximum of 30, do not match with the marks uploaded by the department of Botany in the university portal.

All the students have intimated their grievance regarding the same and seek an urgent rectification as these marksheets will be a part of their final year result. Thus, kindly impel the necessary official procedure to do the needful and oblige.

A duly signed copy of the report generated on April 8, 2021 after the successful submission of marks in the RTMNU digital university portal is being attached herewith for your kind perusal. The hard copy of this report was also sent through the college vide letter no 2789/Uni/02/2021 dated June 1, 2021.

Thanking you.

Dear Sir,

I had been trying to click my picture was showing either black or white after clicking. My photo was not displayed on the I tried many a times during my first exam on 27-05-2021 due to which I was in a pan I was not able to understand what to do. So I called one of the helpline numbers and many attempts I spoke to one of the officials of RTMNU who told me to start giving exam if the questions were appearing on my phone and not to worry about the photo directed, I checked and saw that the questions were appearing and I started to solve paper. I completed and got the message that my response has been submitted. Again next exam, I tried a lot as per the instruction conveyed. But to my vain, I found my photo not being displayed. I completed my paper and found my response was submitted successfully. Again on the day of next exam, I called one of the RTMNU helpline number and talked to them regarding my problem because I was really worried whether it become an issue later. He suggested me to write an application stating my problem to college authorities in order to be on a safer side Hence I am writing this letter to you about the problem. I tried with another phone, but still I could not see my photo. I gave my video without knowing whether my video was working or not. Fortunately, after every attempt I got the message that my response has been submitted.

I was trying to find a solution for my problem, but couldn't solve it. This letter is to let you aware of the problem I faced during my examination so that there wont be any issue later.

Thanking you.

Roll - 569207

Subject :- Regarding the problem faced in online Examination of RTMNU.

Respected

I Sureshni Ashok Tarwatkar, student of 2nd Year (III Sem) B.Com in your college (Hislop College) wanted to report an online technical problem which occurred today (05-04-2021) in my online exam of Supplementary English conducted by RTMNU. The problem description is as follows:-

• Out of 40 questions of exam, 8 questions were a mix of questions from other subjects (other than the subject whose exam is being conducted 'Supplementary English')

• I called on to technical support on 9422803274, the individual at other end directed me to close the exam browser without submitting the exam. So that a fresh exam can be started again with rectified/correct question paper.

• On following the individual's command, I closed the exam browser but no new exam started as said. A constant message of "Exam time is over" is displayed on each login attempt made, then the exam time was not over.

Sir, now I am under great confusion and mental pressure, regarding if my Answer responses are submitted or not. If not what is the solution to this problem? and way forward.

Respected Sir, I have been victim of online technical error. I request you to help me in resolving this issue as it may be a backlog in the subject, which is not fair.

I am ready to give exam again if the need be. I request you to please look into the matter thoroughly and help/guide me.

Yours Sincerely
Sukeshni A. Tarwatkar
