Day 1: "FEMINISM"

The Women's studies and Development Centre conducted the first day of the "Film Fest" on the topic "Feminism". The chief guest for the day was Mr. John Landge, Master Trainer, Human Resource Development. Dr. Anjali Andrews, Overall In charge, welcomed the guest. Miss. Aishwarya Tiwaskar, President of the cell compered the session.

The following movies were screened

The interactive session was based on the idea of "What is feminism?" and "Why Feminism?". The student members actively participated in the discussion. The idea of feminism i.e. equal opportunity and freedom to both the genders was discussed. "Unarranged" valued the topics such as marriage, equal and shared responsibilities in a marriage and communication.

"Going Dutch" gave the idea of an empowered women who strongly believed in feminism. The character inspired the women to be independent and self-sufficient.

"My choice" provoked the thinking of the student members about the reality of the reality of today's world and how we need to change. It also helped us to understand that the society should not stereotype a women's identity and individuality. The women have their freedom to make her own choices and live happily.

Mr. John Landge chaired the session and made the day a worthwhile experience. The interactive discussion conditioned the minds of the student members to set a positive and broad outlook towards the other gender.

The session concluded by vote of thanks proposed by Mr. Vikram Raj Nema, Joint Secretary of WSDC.

Day 2: "SEXUAL HARASSMENT"

The second day of the "Film Fest" was on the topic "Sexual Harassment. The chief guest for the day was Dr. Supantho Bhattacharya, Department of English, Hislop College, Nagpur. Dr. Anjali Andrews, Overall In charge, welcomed the guest. Miss. Prajeshha Naidu, Executive Member of the cell compered the session.

The following movies were screened

- Start with the boys
- Sexual Harassment of women at Workplace
- Satya Mev Jayate, Episode No.7

The interactive session was based on the idea of 'What emotional difficulties one faces which leads him/her to harass someone?'

The movies screened on the second day clearly stated that it wasn't just women being harassed. The Chair person conveyed the message that harassment is not gender biased, it can be anyone. In Satya Mev Jayate, Kamla Bhasin helped us to understand that women are shown weaker than men and that's why they are harassed more than men. The third movie expressed how a woman should defend herself, how anyone irrespective of the gender should stand up for himself. The chairperson shared his life experiences and motivated the student members to participate in the group discussion.

It was concluded that every individual should know self-defense, to act and raise their voice against sexual harassment, to use social media to tell the society about the injustice. "Name and Shame" will not just embarrass the person harassing but will inspire others to stand up and raise voice against harassment, after all the molesters are just bullies who just wanted to bully others.
