Description of Project in Detail

India celebrates National Doctor's Day on 1 July, to express gratitude towards doctors and physicians for their relentless efforts to serve people. Therefore on the occasion of National Doctor's Day the Rotary District RID 3131 took an initiative and organized an event named "Behind the White Coat" various clubs from different districts along with Rotaract club of Hislop College came forward and participated in this event.

Doctors, nurses, and other healthcare providers were at the frontline of the pandemic i.e Covid 19. Thereby we asked doctors for videos in which they shared their experience during the pandemic and safety measures which people should follow. The videos were posted on the You Tube channel of the event.
