National Intercollegiate Online Festival on Wildlife: A Student Event

The National Wildlife Week is celebrated every year across India in the first week of October with an aim to protect and preserve the flora and fauna. Even as the city and the country are still in the shackles of Covid-19 and facing lockdown and restricted movement, Hislop continued with its tradition of Wildlife Week Celebrations with an Online National Intercollegiate Competition this year the collaborative programme was conducted by the IQAC, Faculty of Sciences and the Environmental Cell. The theme of the programme was drawing attention of the student participants to the wildlife crisis that our planet is facing in terms of rapid urbanization, decreasing forest covers, irregular seasonal changes and forest fires. The programme was aimed at creating awareness among the students through four events and to stimulate them to reflect on nature and to develop compassion for the biodiversity around them.

The event was categorized into Wild life quiz based on general awareness on nature's bounty, animals their habitat and nature, identification of flora and fauna; a section dedicated to creative writing to bring forth the writer among the student participants; an essay on Forest Fire and its Impact on Biodiversity and a competition on building up a story from a video clip. For participants with artistic bend of mind a section on e poster was also included, where the students showcased their perception on wildlife.

The event generated lot of enthusiasm and recorded more than five hundred entries from different parts of the country. Students from Lucknow Christian College, Agriculture College Bapatla, Saint Xavier's College Mumbai, VES College, Mumbai, Gandhi institute of Engineering & Technology Gunupur, Odisha, St. John's College Agra, Government Degree College Kargil Ladakh, PES Modern College, Pune etc and students from colleges in and around Nagpur participated in big numbers.

The organizing team included Dr. Ashish Jha & Dr. Mayur Khedekar managing the Wildlife Quiz and e poster section; Dr. Sunita Bundale & Ms. Parama Majumdar handling the Essay Writing section; and Dr. Mashita Pise & Dr. Shibin Chacko looked after creative writing. To ensure fair and equitable decision each event had a panel of judges. Dr. Lizby Mathew & Dr. Anija Philip judged the Wildlife Quiz; Dr Nomdeo Gahane and Ms. Rupa Rajakumari assessed the e poster section; Ms. Shirin Badar & Ms. Abhirami George evaluated the Essay Writing section; and Dr. Mayank & Dr. Sonal Paliwal assessed the creative writing section.

Masters' PARADIGM

SEASON 2

Webinar Series on Science & scientific aptitude...

The Departments of Botany and Biochemistry jointly organized a 3 day National webinar series bannered “Masters’ Paradigm: Season -2”, from February 4 to 6, 2021 for students across various colleges of the city and beyond. In the wake of t he current scenario, the series aimed to provide an exposure on relevant scientific developments of the recent times. The 3 day programme brought to its ambit, 3 key aspects of concern ranging from Cancer research to Vaccine manufacturing to Wetland Conservation.

DAY I: Molecular Cures of Cancer

Dr Amitava Das

Principal Scientist, ICT Hyderabad

Observing World cancer day, on day one i.e. February 4, 2021, an expert talk on Molecular cures of Cancer was organized. The online event started with the introductory remarks from Dr. Mousumi Bhowal, HoD Botany who also gave the perspective to the organization of this program. The IQAC coordinator Dr. Pratik Michael welcomed the guest and spoke about the importance of such programmes in the wake of the current scenario. This year the 3 day event was planned to commemorate three distinct objectives. Day 1, to commemorate the “World Cancer Day” on the 4th February 2021, the webinar on “Molecular cures of cancer” was delivered by Dr. Amitava Das, Principal Scientist, Indian Institute of Chemical Technology, Hyderabad. The webinar provided new outlooks on the downstream regulation of certain molecular targets like Lipoprotein Lipases to control the recurrence of breast cancer. He also shared some new findings such as involvement of small molecules and their potential role in cancer control. Over 270 participants across India attended this online event.

Masters' PARADIGM

DAY III: Wetland Conservation

Student Presentations

Adjudged by;

- 1. Dr Anagha Patil,**
Department of Environment,
Institute of Science,
Nagpur
- 2. Dr Ashish Jha,**
Department of Zoology,
Hislop College

Celebrating the culmination of the week of wetlands, and commemorating 50 years of the Ramsar Convention, student participation was invited for PowerPoint presentations on wetland conservation. Around 30 participants presented their views on an online platform which was judged by a panel of judges; Dr Anagha Patil, Dr Ashish Jha and Dr Pratik Michael. Ms. Saleha Kapadia from Pillai College of Arts Commerce and Science, Navi Mumbai was adjudged the winner while Ms. Shrishti Devalia of Hislop College bagged the second prize. Mr. Yash Barokar and Ms. S Mubashra Ali were awarded consolation prizes.

Masters' Paradigm: SEASON II

National Webinar Series on Science & Scientific Aptitude

DAY III : February 6, 2021

Webinar series 'Masters' Paradigm' organised

■ Staff Reporter

THE webinar series organised jointly by Departments of Botany and Biochemistry and the Internal Quality Assessment Cell, Hislop College provided an exposure on relevant scientific developments of the recent times. The theme of the series was 'Masters' Paradigm: Season -2' for students. The 3-day programme brought to its ambit, 3 key aspects of concern ranging from cancer research to vaccine manufacturing to Wetland Conservation.

An expert talk on Molecular cures of Cancer was delivered by Dr Amitava Das, Principal Scientist, Indian Institute of Chemical Technology, Hyderabad.

The webinar provided new outlooks on the downstream regulation of certain molecular targets like Lipoprotein Lipases to control the recurrence of breast cancer. He also shared some new findings such as involvement of small molecules

and their potential role in cancer control. Dr Mashitha Pise conducted the programme and an interactive question and answer session. Over 270 participants across India attended this online event. Immortalising the first Indian lady to have secured the Ph.D. degree, Janaki Ammal memorial lecture was the banner for day 2 of Masters' Paradigm.

Dr Amit Godbole from SILL, Pune spoke at length about the various aspects of vaccines beginning with the basics of types and classification, and then proceeding up to the stages of manufacturing and quality control. He spoke about the pros and cons of vaccination and took question from an eager audience, clearing apprehensions about the vaccine dosage, possible negative impacts etc.

Celebrating the culmination of the week of wetlands, and commemorating 50 years of the Ramsar Convention, student participation was invited for Power Point pre-

sentations on wetland conservation. Around 30 participants presented their views on an online platform which was judged by a panel of judges; Dr Anagha Patil, Dr Ashish Jha and Dr Pratik Michael.

Saleha Kapadia from Pillai College of Arts Commerce and Science, Navi Mumbai was adjudged the winner while Shrishti Devalia of Hislop College bagged the second prize. Yash Barokar and S Mubashra Ali were awarded consolation prizes.

The programme was highly appreciated by the students all over. Around 435 students actively participated over the 3-days of scientific discourse. The endeavor was conceptualised by the organising team comprising Dr Mousumi Bhowal, Dr Mashitha Pise, Parama Majumdar, Dr Rashmi Padhye, Sudipta Sarkar and Richa Dubey under the guidance of IQAC coordinator, Dr Pratik Michael and the leadership of officiating principal Dr Prashant Shelke.
