

# World Water Day

## World Water Day Programme

World Water Day is held on 22<sup>nd</sup> March every year since 1993, it focuses on the importance of fresh water. This day celebrates water & raises awareness of the 2.2 billion people living without access to safe water. It is about taking action to tackle the global water crisis. The NSS unit of Hislop college, Nagpur organized a virtual session on 22<sup>nd</sup> March, 2021 under the guidance of Mr. Milind Ghate, Mr. C.P Farkade. Both of them gave a small token of speech on the importance of water's day. NSS unit also organized some competitions like:-Poster-making, speech, video making & quiz competition. Some of the NSS volunteers made a short video on the awareness & safety measures of water. Each & every person of NSS gave so much of efforts for making this event a successful program. JUHI KOCHAR [BSC 1<sup>ST</sup> YEAR] backed 1<sup>st</sup> position in poster making competition RIYA BHADORIA [BSC 1<sup>ST</sup> YEAR] was the first runner-up for poster making & she was also the first winner in video making competition. SHRUTI HEDA OO [BA 1<sup>ST</sup> YEAR] was the second runner up for poster making. AKSHARA PEDRAJ [BSC 1<sup>ST</sup> YEAR] she backed 1<sup>st</sup> position in giving a marvelous speech on water's day.
