Description of Project in Detail

The Rotaract Club of Hislop College, Nagpur on “International Youth Day” organized an event wherein we asked people to take a pledge. We believe in a world where hope outshines fear. Therefore many youth came forward and made a commitment to stand up and speak for the upliftment of humanity. The zestful youth of our nation, took a pledge and vowed to implement it, to bring about change in other lives. It’s been rightly said that “Be the change that you wish to see in the world”.
