

# Clean Green Campus policy

**HISLOP COLLEGE**

**Nagpur**

## **Clean Green Campus (CGC) Policy**

### **Preface:**

A Green campus is a place where environment friendly practices and education combine to promote sustainable and eco-friendly practices win the campus

Established by Rev. Stephen Hislop in the year 1883, Hislop College, the oldest and the most Venerable institution Central India has a long legacy of healthy environmental practices including periodic plantation, their preservation and maintenance. The institution situated in the heart of the Nagpur city has college campus spread across 7.4 acres. About 30 % of the total area is occupied by open land and plantation that generates a better and sustainable campus environment.

### **Scope:**

The Clean Green Campus (CGC) policy of Hislop College aims to develop stimulating modules for encouraging and active participation of its staff members and students leading in redefining its environmental culture and developing new paradigms. Such initiative will continue to help us introspect and review the infrastructural and administrative responsibilities towards our goal for an energy efficient, environment friendly and a sustainable campus. The nucleus of the CGC policy at Hislop are:

- ✦ **Environment-centric Activities by the Department and Cells**
- ✦ **Infrastructure**
  - Installation of Energy Efficiency Equipment
  - Renewable (Green) energy
  - Ground water recharge
  - Water Conservation through Rainwater Harvesting System
- ✦ **Degradable Waste Management**
  - Solid Waste Management

Liquid Waste Management  
E-Waste Management

+ **Audits**

Green Audit  
Energy Audit

+ **Environment Friendly Initiatives**

Landscaping  
No Noise-pollution  
Plastic-Free Campus  
Clean Air  
Smoking Free Campus

### **Policy Objectives:**

The very first stride in of the Clean Green Campus involves setting in the organisational structure of the institute a Clean Green Campus Committee. The policy objectives aim to analyze environmental practices within and outside of the college campus, which will have an impact on the eco-friendly ambience. A Policy Document is framed to formalise the strategies, plans and other initiatives of the committee to make the campus sustainable and environment friendly. The aim of the committee is to provide advice for the development of environmental policy and practice in areas to Improve Environmental Standards on Campus, Reduce, Reuse, Refuse, Repurpose and Recycle available resources, Awareness programmes focusing on developing young students with environment values and ethics through Curriculum based Environment education, reduce financial burden through minimum use of resources and Conducting Green, Environment and Energy Audit.

The composition of the Clean Green Campus Committee is as follows:

1. Principal
2. IQAC Coordinator
3. College Development Committee member
4. Registrar

5. Faculty Representative
6. Student Representative
7. Stake Holder (Alumni/RTA/Industry) Representative

### **Policy:**

1. Creating awareness w.r.t the environmental policy of the college amongst the management, staff and the students.
2. Protecting the flora and fauna on campus.
3. Conduct workshops and programs on 5 R's: Refuse, Reduce, Reuse, Repurpose, Recycle.
4. Use of Information and Communications Technology (ICT) tools to Save paper.
5. Installation of Solar Energy Panels
6. Maximum use of solid waste generated on campus for vermi-compost.
7. Reduce Noise pollution on campus.
8. Encourage cycling, vehicle pooling and walking to reduce environment pollution.
9. Plastic free campus.
10. As per government rules making campus Tobacco and pan masala free.
11. Developing Ground water recharge and Rain water harvesting systems.
12. E-waste Management.
13. Conduct Green, Environment and Energy Audit
14. "Switch off power" when not in use.
15. Disposal of degradable waste.

Hislop College is committed to create a eco-friendly pollution free education campus adopting the 'Clean Green Campus 'policies for environmental conservation and sustainability. The institution is committed in its goals and make all necessary efforts to involve the students, faculty and staff in "Clean Green Campus Programme" by designating members of various forums viz. Environment Cell, NSS, NCC, SCM and SQAC.
