

Papillion and Green Window

I. Green window and papillion

TITLE	YEAR	DATE	PARTICIPANTS FROM	PARTICIPANT NUMBER
Green Window	2016-17	07.10.2016	Jain Heritage School, Nagpur	40
		31.03.2017	Department of Education, RTM, Nagpur University	29
	2018-19	14.07.2018	Hislop Junior College, Nagpur	27
		08.08.2018	Apex Institute, Nagpur	31

OBJECTIVE & REPORT:

The department advocates the environmental sustainability through its well established units of floriculture, mushroom cultivation, vermicomposting and tissue culture. The school students in the formative age, visit the department and they are shown across the various units of the department and are explained about the techniques. The interaction unfolds many queries of students regarding the subject specialties and applications.

The Department has been receiving an enthusiastic and zestful feedback from the students and the teachers on these endeavors.

Students of class IX, Jain Heritage School visited the Department of Botany, Hislop College on October 7, 2016. The students and faculty members of the department of Education, RTM, Nagpur University, visited Department of Botany on March 31, 2017. Students of class IX, of Hislop Junior College visited the Department of Botany, Hislop College on July 14, 2018. Students pursuing various courses in Apex Institute visited the departmental laboratory and garden on August 8, 2018.

II. PAPIILLION

TITLE	YEAR	DATE	PARTICIPANTS
Papillion	2016-17	03.12.2016	128
	2017-18	02.12.2017	89
	2018-19	01.12.2018	93
	2019-20	7.12.2019	99
Papillion Online	2020-21	12.12.2020	73

OBJECTIVE & REPORT:

As an added aspect of the Annual Flower show, school students are involved in a painting competition with an aim of popularizing Environmental Consciousness through competitive events. The drive for this event is to instill appreciation for the beauty of nature in the blossoming minds. Young students from various city schools have been coming to the campus to express themselves with colours.

Students have been participating in great numbers over the years.

For the session 2020-21, due to the prevailing COVID-19 situation, the event became online and was met with an overwhelming response of the students for a maze of events with environment and flowers as a central theme.

The college thus serves its social responsibility through this programme by reaching out to a large number of students at impressionable age, their schools and also their wards.
