

HISLOP COLLEGE, NAGPUR

SKILL DEVELOPMENT CELL- REPORT

2019-2020

1. Ten Day MatLab Workshop Organized by Skill Development Cell in Collaboration with Department of Physics & Electronics

DATES: 23RD SEPT 2019 TO 3RD OCT 2019

A ten day Matlab hands-on workshop was conducted from 23rd Sep. 2019 to 3rd Oct. 2019 under auspices of Skill Development Cell. Dr. Veena Joseph, Convener, Skill Development Cell, inaugurated the workshop and Mr. M. G. Raut as Workshop Coordinator, Dr. Ajay Yoel and Dr. L. P. Damodare were present for the same. They worked hard for the successful completion of this workshop. A total of 35 candidates including Students & Teachers from Hislop College and other colleges participated in the workshop. Mr. Harish Zambani, IoT Labz, Nagpur was the workshop resource person. The workshop gave students hands on experience in graphical analysis of various images that they obtained in their respective fields. This course strengthened their research aptitude, enhanced their evaluation techniques, and increased their dimensions of thinking and critical analysis. This workshop helped the students to further increase the area of their studies and boosts their scientific temper. This workshop introduced the use of high speed computers for data analysis and using the Matlab software to analyze finer results in their research which are difficult when analyzed manually.

2. Report- Certificate course in Spoken Sanskrit (2019-20)

DATES: 14TH FEB 2020 TO 14TH MARCH 2020

Certificate course in Spoken Sanskrit was conducted by Skill Development Cell in collaboration with the Department of Sanskrit from 14-02-2020 to 14-03-2020. Dr. Priya Pendharkar, Head, Dept. Of Sanskrit was the Resource Person for the course.

The objective of the course was to introduce Sanskrit as a spoken language and not as subject to the students. The course was run by interactive method. Without teaching Grammatical terms of Sanskrit, the students were taught to speak Sanskrit directly, starting with daily conversation. Different kinds of props and flash cards were used for the same.

14 students from B.A. SEM II, Sem IV and also from Junior college enrolled for the course and benefitted the same.
