Peer-Reviewed Journal

ABOUT THE JOURNAL

The *Hislop Journal* (ISSN 0976-2124), is an annual multidisciplinary peer reviewed journal designed to provide platform to scholars from fields as diverse as literature, humanities, science, technology, business and commerce. The journal is named after Rev. Stephen Hislop, the founder of Hislop College, Nagpur who was not only an Evangelist and Educationist, but also a renowned scientist and researcher in the field of Geology and Linguistics. The objective of the journal is to cater to the research aptitude of college teachers, researchers and scientists of Central India, in particular and the country in general.

The journal welcomes original research articles covering either or both aspects of theoretical and applied research. Papers of high quality, original, theoretical, experimental and technical contributions which may be in the form of review articles, full length research papers, short communications, hypothesis, news, views and book reviews will be accepted. This journal is devoted to the advancement of basic and applied research in all disciplines.

POLICIES FOR MANUSCRIPT SUBMISSION

Manuscript Submission

Submission of a manuscript implies that the work described has not been published before and is not under consideration for publication elsewhere. That the publication has been approved by all co-authors, if any, as well as by the responsible authorities (tacitly or explicitly) at the institute where the work has been carried out. The publisher will not be held legally responsible should there be any claims for compensation.

Peer Review Policy

All submitted research articles are peer reviewed by the editorial board and experts in the related fields. The papers would be published only if necessary, revisions are made based on the comments made by the referees. The decision of the editor will be final in this regard.

Ethics Policy

Contributors are expected to adhere to high degree of academic integrity and only original work, not published anywhere else, should be submitted. Data fabrication and falsification would mean a serious breach of ethical code of academic conduct.

Permissions

Authors wishing to include figures, tables, or text passages that have already been published elsewhere are required to obtain permission from the copyright owner(s) and to include evidence that such permission has been granted when submitting their paper. Any manuscript received without such evidence will be assumed to originate from the authors.

Plagiarism Policy

There is a zero-tolerance policy towards plagiarism (including self-plagiarism) in our journal. It is the responsibility of the author/corresponding author to undertake plagiarism check before final submission of the manuscripts.
