## Alumni interface: Career Options in Botany

Mr. Aditya Ankari

August 12, 2023

---

An Alumni Interface was organized on August 12, 2023 for the Post graduate students of the department. Mr. Aditya Ankari a Senior Research fellow at University of Hyderabad interacted with the students on 'Career Options in Botany'.

In his talk he informed the students that those who have a background in botany or are interested in pursuing a career in this field, there are various career options available. Some potential career paths in botany that he highlighted for the students included research options in plant biology, ecology, or taxonomy or work in universities, research institutions, or botanical gardens.

He further explained the wide spectrum that are available for specific specialization like Ecologist who can contribute to the study of interactions between plants, animals, and their environment. Work in environmental consulting, conservation organizations, or government agencies. Plant Pathologist can investigate diseases affecting plants and develop strategies for their control. They can get employed in agricultural research, plant breeding, or with government agencies. As a Horticulturist they can contribute to the cultivation and management of plants, including fruits, vegetables, and ornamental plants. Work in nurseries, botanical gardens, landscaping, or agricultural extension services.

Another field open to students is specialization as Forestry Scientist that will help them to study and manage forests, including tree growth, conservation, and sustainable management and

further provide employment opportunities in government forestry departments, conservation organizations, or private forestry companies. Besides all the above students can opt to be a Plant Geneticist, Ethnobotanist, Environmental Consultant, Plant Biotechnologist, Plant Conservationist, Seed Technologist or an educator.

This highly informative session was followed by a question-and-answer session wherein the doubts and queries were answered by Mr. Aditya Ankari.
