Internal Assessment Parameters
2022-23

Assignments: 2 assignments would be given during each semester of the academic year. Assignments could include oral presentations as well as written work. The assignment should be original and should demonstrate student's critical thinking skills and comprehension of the concept besides good language skills.

Unit Tests: Students will be required to participate in two Unit Tests as part of their continuous assessment. These tests will evaluate the student's understanding of the course material covered up to that point.

Classroom Participation and Performance: Students are expected to actively engage in discussions, group activities and pair work. They should show willingness to communicate in English, regardless of their level of fluency and should demonstrate responsiveness in the class. Students are expected to collaborate effectively during group tasks.

2. Marking for class test: Class tests for each unit shall be conducted during the allotted class in the time table by the concerned teacher. The maximum marks for each Unit test shall be 10 per paper.
3. The parameters of attendance, Assignment submission, online conduct, and soft skills (assessed through class presentations) are indexed in form of a scale as follows. They add up to a maximum of 10 marks

Percentage in each Head	Final score (out of 2.5)
≥75%	2.5
70 - 75 %	2
60 - 70%	1.5
less than 60 %	1

4. The final assessment marks are a sum of the actual class test marks (out of 10) and the score achieved by the students in above mentioned parameters (out of 10)
5. Seminar: A compulsory Seminar presentation is part of the Curriculum. A maximum of 25 marks can be scored based on the following heads.

Content	Quality of Power-point	Presentation Skills	Viva voce	Write up submission
